SUBJECT: Conversation with Mr. Wisner re next Clark Committee Briefing

1. General Clark called both the DCI and DDCI today and could not reach them and so called Mr. Wisner and talked with him.

2. Mr. Wisner said General Clark requested ~~the~~ briefing on 5 April from 0900 until 1230 in order to ask more questions and also to pursue additional information on the questions already asked. Gen. Clark said that in case DCI and DDCI were out of town, the briefing could still take place in their absence. DD/P has been trying to get in touch with both DCI and DDCI. He (Mr. Wisner) has also reached Carey and Kirkpatrick and alerted them.
